Measure, Appointment or Topic: HB4113

Oregon's land use laws are critical in protecting this special state we love. Please don't weaken them by approving HB4113. HB4113 does not benefit this state. In fact, it is harmful. Its sole purpose is for financial benefit of one private entity. HB4113 does an end run around land use laws, prohibits local governance and decision making in regards to this development and disallows public participation.

Please do not consider passage of HB4113. It is harmful and unnecessary.

Sincerely,
Marilyn Walster
