Measure, Appointment or Topic: Support SB 1509

Chair Jama, Vice Chair Starr and members of the Senate Committee on Rules,  
My name is Nancy, and I live in Portland, OR. I am writing to testify in strong support of SB 1509, which is a good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President of the United States.

With free and fair elections coming under attack nationally, we need to strengthen the protections of voters and SB 1509 is a step toward that. I would also like to SB 1509 pass because without accountability measures, a pledge means nothing.

Please pass SB 1509 out of committee.

Thank you,  
Nancy D'Inzillo
