Measure, Appointment or
Topic: HB4153

Please vote no on HB 4153 as this would put all of those who don't own 7+ acres of land out of business. I believe I should be able to grow and sell produce at a farm stand regardless of how many acres I own. Folks like me who would like to sell their garden abundance at the end of their driveway would be outlawed from doing so if this bill passes. Why are you trying to shut down these small farmers? This bill also threatens to industrialize farmland and compromise our working land. Please, please vote no on this bill.
