Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

I ask you to oppose HB 4113.

There is simply no justification for extending this developers sweetheart deal a 6th time so he can, essentially, sell "develop anywhere" rights to someone else.

As an Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both.

This bill would benefit one private stakeholder at the expense of our land use system. With so many other important priorities in front of you, I hope you will quickly reject HB 4113.

Sincerely,
Michael Dean
