

Submitter: Cathy Spofford  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1570

Medical settings should be free from interference from federal agents. People receiving care have a right to expect privacy. Agents are violating people's rights and HIPPA. Nurses, doctors and social workers have an ethical obligation to protect their patient's medical information and should not be intimidated by ICE and DHS agents.
