

Submitter: Paulette Fraser

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4153

I believe that County & State & Federal Govt should not be restricting small farmers... Individuals should be allowed to purchase healthy foods grown by small farmers who care about the land and don't use chemicals & are kind to the animals... As consumers, our \$'s spent should not be restricted to buy from industrial farmers primarily... We should have the right to choose to purchase healthy foods raised in humane ways from small farms.
