Measure, Appointment or HB4153  
Topic:

I support HB 4153. Our small farms are such a blessing to the community! Please vote in support of their ability to continue engaging in agritourism. My family loves spending time on the farms, going to pumpkin patches, playing in play areas, purchasing produce and baked goods, shopping at the farm stores, and enjoying being in the beautiful outdoors. Without agritourism, many of these farms will have to close, and we've already seen this happen. Our communities benefit from these family-run farms. Without them, we will be left with factory farms and fewer spaces to enjoy the outdoors in Oregon. Please vote in support of HB 4153 to keep our local farms in business and providing so many services to our community!
