

Submitter:

Catherine BROOKSHIRE

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1561

Allowing for renovation and/or replacement of unusable buildings to all for usable space seems like an easy request. However with the current regulations this is an obstacle for thousands of families who should be focusing on providing our food, fiber, and timber.

Please allow, please support, and please reduce the regulations and struggles facing our move valuable Oregon families.
