

Submitter: Melissa Maloney
On Behalf Of:
Committee: House Committee On Emergency Management and
Veterans
Measure, Appointment or HB4121
Topic:

I oppose HB4121! The only thing growing in Oregon is government and that is bad for its citizens. The citizens are already being taxed into oblivion and it's showing given the number of families and businesses who have left the state. Keep emergency preparedness at the local level. We need to reduce the size of statewide government, not expand it.
