Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing today to ask you to oppose HB 4113.

As a fifth-generation Oregonian, I value the land use principles that help keep our state healthy, environmentally and economically. Upholding our land use system is key to both. This and previous sessions have been full of too many carve out exceptions to the UGB. Occasionally there is a compelling need. this is not the case here.

This bill would benefit one private stakeholder at the expense of our land use system. With so many other important priorities in front of you, I hope you will quickly reject HB 4113. Don't encourage nibblilng away at the land use system.

Sincerely,
