

Submitter: Dennis Pennell

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4006

HB4006 is bad policy. Bad for the Columbia River, bad for fish, birds, deer, and all other creatures in the area. Water quality is easy to ruin - with policies such as HB 4006 - and very hard to restore once ruined. Don't do it.
