

Submitter:

Patrick Hollinger

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4148

Please pass this bill. With already strained funding for our rural county's general fund, this will help our operations greatly because we can allocate more of the TLT funds to programs that need it like public safety, workforce housing and health. This will also continue to bolster our economic development programs. Thank you for your consideration!

Patrick Hollinger

Vice-Chair, Curry County Board of Commissioners
