Committee:

Senate Committee On Early Childhood and  
Behavioral Health

Measure, Appointment or  
Topic:

SB1548

Dear members of the committee,

I support this measure because of the potential  
Misuse and marketing to our younger audience.

This current dosing of cannabis products are so much stronger than generations of  
the past.

As Oregon continues to hold the strongest addiction rates and lack of treatment. Our  
best answer is prevention. Help us by allowing this bill.
