

Submitter:	Kevin Goodrich
On Behalf Of:	Oregonian Taxpayers
Committee:	House Committee On Early Childhood and Human Services
Measure, Appointment or Topic:	HB4059

Wow, really? Reading this bill, it would appear that waging legal battles between children in Oregon with their parents. Curious to know if Oregon trial lawyers are sponsoring this mega-battle legislation. Had no idea that the overburdened courts had available bandwidth to accommodate such a legislative over-reach. This bill needs to be voted down, esp. during a "short session" that was constitutionally allowed if, and only if, budgetary matters alone were considered for discussion.
