

Submitter:

Elizabeth Elliot

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1570

When a person is in a healthcare facility whether a clinic or the hospital, often times they are there because they need assistance. The LAST thing they need is a federal agent harassing them and using scare tactics to force them into custody. We see that earlier this year with the Crestor family here in Portland. I urge you to vote in support of SB1570 to require more protections in medical settings. Thank you.
