Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4105

I oppose the Bill 4105, which allows more cutting of Forest by the Federal Government (with contractors). It would erase all the progress that Oregonians have made with preserving wildlife and helping to keep our forests sustainable. Already we are at a tipping edge in efforts to save stands of forest. Do not pass this bill.
