

Submitter: Theresa Kohlhoff  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

There is an urgent need to keep our farmland as farmland. We need to honor the lands system that has protected it from "flexibility" and nibbles on the edges. There is no need whatsoever for any commercial use even if it is gussied up as a cottage industry. It encroaches on farm land and therefore it should be forbidden. I do not support any encroachment on farmland.
