

Submitter:

Ruth Olsen

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

Let's just find a decent way to manage forests without clearcutting vast acreages, depleting soil, contaminating water and destroying wildlife habitat. Let's just do better. We should be able to find a path to healthy forest management, we have technologies to do it, let's make it feasible for logging companies to still make a profit without sacrificing our public lands.
