Measure, Appointment or HB4153  
Topic:

As a farm owner in Yamhill county, I have seen the impact of “farm stores”, concerts, and hotels masquerading as b and b's on farmland.

Little farm stands allow direct sales to customers, adding to a farmers' ability to make a living without impacting the neighboring farmer's ability to make a living. Stores are a whole different ballgame and belong in town.

Please do not allow HB4153 to proceed.

Thank you so much.
