Thank you for allowing The Corvallis Clinic the opportunity to support your healthcare needs. You are receiving this letter because you have insurance coverage through Medicare and/or Oregon Health Authority (DMAP), and your provider has recommended that you have a CT or MRI scan as a part of your care.

We are pleased to provide this service for you at our fully accredited, state-of-the-art imaging center located at 3680 NW Samaritan Dr, Corvallis, OR 97330. Your results will be available to your provider quicker through our electronic medical record (EMR) system, allowing for expedited follow-up.

While we hope you choose your care with us, we are required to notify you that you have the right to obtain the imaging study at any location of your choosing. The list below contains contact information for imaging providers who can perform the same service, all within a 25 mile radius of our imaging center. We recommend that you verify coverage with your insurance because you may be out of network at any one of the other locations.
