

Submitter: Craig Lacy  
On Behalf Of: Indivisible Bend  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or Topic: HB4006

To: House Committee On Agriculture, Land Use, Natural Resources, and Water  
From: Craig Lacy on behalf of Indivisible Bend. A group of over 1000 local residents

The Columbia River used to be one of the world's largest producers of salmon and steelhead. One of the reasons that recovery efforts haven't been successful is because of water issues on the river, including high temperatures. Allowing anyone or business to avoid key water laws is a mistake that could even make recovery of these fish more difficult. All water laws should be enforced equally, no one should be exempt.
