

Submitter: Anna Maria Ponzi

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

I believe in a strong economy and growing opportunities for our local farming communities, however, I also believe in operating responsible business operations. This is especially true in rural areas where consideration and respect must be given to natural resources, native habitats and neighboring farms. The wine industry has been restricted for decades to operate responsibly and respect its neighbor. Other thriving operations located in rural areas should be held to the same standard and accountability.
