

Submitter: Michelle Lequin

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1570

Armed agents pursuing patients in healthcare facilities and interrupting medical treatment so that a sick or injured person can be dragged away, usually without cause or a warrant, is immoral and unacceptable. Human health, lives and safety are at stake, as well as the safety of medical personnel and other patients. Stop all law-enforcement agents from pursuing patients in healthcare facilities.
