House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or  
Topic: HB4105

I oppose the timber industry request for changes in harvesting timber from state lands, those trees belong to the citizens of Oregon, not to a profit driven industry focused on harvest at any cost to water, land use or wildlife. If anything please monitor the industry for any signs of unlawful practices and fine them to make a point. Thank you.
