

Submitter: David Green

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I write to oppose HB4113. Central Oregon has seen continual, slow, but increasing, incremental development and it is time to honor the spirit of Oregon's land use laws and stop this development. This development would damage wildlife habitat, increase costs to the county for transportation and other services, increase use of our limited water supply, and put more infrastructure where it would need to be protected from wildfire, at large costs to the state.

Please vote against this bill.

Thank you,
David Green
