

Submitter:

Mark Spofford

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SJR203

I strongly support passage of SJR 203. It is unconscionable that law enforcement representatives may hide their identity from the public and those they may be investigating and/or charging. This should not be allowed.except for a very few specified exceptions. Oregonians should be allowed to vote on a constitutional amendment that restricts this practice.
