On Behalf Of:	HB 4148
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4148

Dear Sir or Madam,

I am writing to oppose HB 4148. As the manager of the Salem Convention Center, we need the dedicated tourism promotion and visitor related programs to help drive group demand to SCC and in turn to our hotel partners.

Redirecting these funds will reduce marketing, lower demand in coming to Salem and negatively affect the hotels that are collecting these funds.

Sincerely,

Chrissie Bertsch
GM of Salem Convention Center.
