Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4105

Dear Co-Chairs Helms and Owens and members of the committee,  
I oppose House Bill 4105. This bill is focused on timber production over other value  
that forests provide including carbon sequestration, clean water from healthy  
watersheds, salmon growth. The bill is unnecessary as the Department of Forestry  
regularly meets or exceeds its timber goals

Best regards,  
Joseph Danko
