Dear House Committee On Agriculture, Land Use, Natural Resources and Water,

Please protect more than 600,000 acres of state public forestlands, those which cover the Santiam State Forest to Tillamook and Clatsop Counties, the outskirts of Salem and Portland to the Pacific Coast. These forests support clean flowing rivers for salmon, critical habitat for a wide range of wildlife, recreation areas, and a robust outdoor economy.

I urge you to vote no on HB 4105. Please save these natural resources for the enjoyment of future generations.

Sincerely,
Jean Longwill
