

Submitter:

Carl Yergen

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

I oppose this measure because after 40 years in the timber industry I DO NOT trust those CEOs and board members to think of anyone or anything but themselves. We need state licensed bureaus to monitor log scaling and lumber grading for a reason. To have timber harvest quotas the highest priority for our public lands is a disaster waiting to happen.

Thank You
