Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water
Measure, Appointment or HB4105
Topic:

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose HB4105 and its amendments. It is an unnecessary timber industry bill that jeopardizes wildlife habitat, carbon storage, and recreation in our precious public lands. It is also expensive to implement, and opens the door to endless litigation by timber companies and tax districts.

Please don't let this bill pass out of committee.

Sincerely, Spike Selby
