Resources, and Water
Measure, Appointment or Topic: HB4105

What it is: House Bill 4105 would weaken protections for Oregon's state forests. HB 4105 would require the Department of Forestry to pass a timber harvest rule that would prioritize clearcut timber harvest at the expense of all other values—values like clean water, fish and wildlife, recreation, and carbon absorption and storage. HB 4105 would also create a special right for recipients of timber revenue to sue the Department of Forestry to force more logging on state forests.
