

Submitter: Amee Pacheco

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4105

Oregonians don't need more clear cuts. We need clean, cold water, healthy forests, carbon sequestration, strong fish and wildlife populations, and recreation opportunities in one of the most beautiful states in the country. This state is a gem. Let's not give up what little we have left. We protect it. For us and for everyone that comes behind us.
