Chair Pham, Vice-Chair Anderson, and Members of the Committee,
For the record, my name is XXXX, and I am the Executive Director of Radio Poder,
La Voz del Pueblo, which serves as a trusted source of information and civic
engagement for Latino and immigrant communities across Oregon. I am here today
in strong support of SB 1564.

Housing affordability is one of the most frequent concerns raised by our listeners. SB
1564 addresses this directly by incorporating a specific site into Woodburn's city
limits, allowing for planned housing development where it is most needed.

By enabling both affordable housing and market-rate housing, this bill supports a
balanced response to the housing shortage and helps ensure families at all income
levels can remain in Woodburn.

The inclusion of a farm and agrihood design makes this project especially
meaningful, connecting housing with food access, health, and cultural roots that
resonate strongly with our audience.

We strongly support SB 1564 and urge its passage.

Sincerely,

Radio Poder KTUP 98.3
