I SUPPORT SB 1552!

Thank you for putting forth an actual bill that makes sense and helps the regular taxpayer in Oregon to protect their properties from thieves.

Currently there are no mechanisms to alert a homeowner of any such activity but to subscribe to place like HomeTitleLock which is fine and dandy for some but not everyone can afford to do that when all of this is presented to the Clerk's Office, it would monumental for some sort of notification or alert to be sent to prove that the transaction would be legitimate.

Please vote YES on SB 1552!
