Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4105

I oppose House Bill 4105 and its amendments. This timber industry bill undermines the state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage. Instead of passing this bill, I encourage this committee to focus on measures that would increase carbon storage in our state forests and safeguard our public resources for our children and future generations. It's only natural.
