Honorable Chair Senator Sollman and Members of the Senate Committee on Energy and Environment,

Thank you for the opportunity to testify in favor of SB 1588 that expands access to homeowner energy efficiency upgrades and pays for the upgrades with energy savings.

I think it is especially important that this bill addresses low-income, underserved, and environmental justice communities, who deserve and need access to green technology and sustainable energy efficiency.

I urge you vote in favor of SB 1588.

Thank you,  
Alida Rol
