HB4148

"I urge you to oppose HB 4148. Transient Lodging Tax funds dedicated to tourism promotion are a proven economic development tool that supports local jobs, small businesses, and community vitality—especially in rural and coastal communities. Diverting these funds will reduce visitor demand and weaken local economies. Please maintain the current allocation that allows tourism promotion to continue driving sustainable economic impact."

Let's not grow weary. We showed up last time, and it mattered. If we stand together again, we can protect the resources our community depends on.

Thank you for taking action and standing with the Chamber.
