On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4151

Attention House Committee on Judiciary. Our society in America needs more accountability when it involves physical injury or death to another person.

People who call in a false report should be punished, and I agree with a maximum of five years' imprisonment, \$125,000 fine, or both.

Criminals who intentionally call in a false call for help to target police officers should be put in prison.
