Measure, Appointment or Topic: HB4105

Dear members of the House Committee on Agriculture, Land use, Natural
Resources, and Water:

I am a resident of Portland and the parent of a Bird Alliance of Oregon volunteer and educator. We are strong supporters of their work to protect Oregon's habitat for birds and other wildlife. We oppose HB 4105 due to the emphasis on logging and clearcutting, not on preserving Oregon's precious environment for the wildlife that lives there. I've lived in Oregon since the 90's and we have been fighting to save the Northern Spotted Owl all of this time. Please do not take action that threatens their habitat yet again. And, endangered salmon runs would be put at risk.

Thank you for this opportunity. Please vote no.
Best, Amie Wexler
