

Submitter: Katie McKenzie
On Behalf Of:
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water
Measure, Appointment or HB4006
Topic:

I oppose this bill. It will not help the state's efforts to reduce nitrates in the area. It exempts the Umatilla farmers from water laws that other farmers must be protected with. This is just not a sustainable situation. This bill is not a good use of water rights. Oppose this bill.
