HB4148

Members of the House Committee on Revenue

I strongly oppose HB 4148, which proposes diverting local Transient Lodging Tax (TLT) revenues from the very thing that keeps our doors open: tourism promotion. I was born and raised in a small motel. This is where I have raised my children as well. Taking money from the TLT means we cannot have our DMO do its job of bringing people to our city.

Thank you for listening to the small business owners.
