On Behalf Of:

Committee:

House Committee On Labor and Workforce
Development

Measure, Appointment or
Topic:

HB4027

Attention to the House Committee On Lablor and Workforce Development. I think this Committee needs to open its eyes to the fact that Oregon is losing business throughout the state of Oregon. Oregon has not be freindly to businesses that are here, or businesses thinking of Oregon as an established base for business. I think you all should do a Study to find out how you can do better! I Support HB 4027.
