As a 71 yo woman, I am alarmed that we have more than 73K in for profit concentration camps - and make no mistake, that is exactly what they are. I do not want my neighbors or friends to be terrorized. I don't consider ICE to be 'law enforcement' and not only do I not want them wearing masks, I want them identifiable with their badge numbers. I cannot begin to express my outrage in having pardoned criminals with violent backgrounds getting paid to do what can only be seen as illegal kidnapping.
