

Submitter: Ann Mack  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4105  
Topic:

I strongly oppose this bill due to its significant negative and long term impacts on Oregonians' quality of life, in particular water quality and environmental health. In addition, the bill is unnecessary. The Department of Forestry already has processes in place to establish timber harvest goals and regularly meets or exceeds those goals, often at the expense of water quality, imperiled species, and carbon storage.

Best,  
Ann Mack.
