

Submitter: Peter Kenagy  
On Behalf Of: Oregonians tired of too many tourists  
Committee: House Committee On Revenue  
Measure, Appointment or Topic: HB4148  
To: House revenue committee.  
  
Subject: support for HB 4148

HB4148 is a common sense adjustment to the TLT. It is unfair to burden local residents and taxpayers who are left with the responsibility to fund the services necessitated by rampant tourism.

Please pass HB4148.

Thank you for your service.
