

Submitter: David Wilson
On Behalf Of:
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB1582
Honorable Chair Senator Sollman and Members of the Senate Committee on Energy and Environment,

I strongly support SB 1582. This bill, should it become law, will accelerate the transition to a modernized, decarbonated electric grid.

Please do all you can to move this bill forward.

Thank you,

David Wilson
