Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Anderson, and Committee Members:

I am writing today to oppose HB4133.

As an Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Our land use rules have been proven over and over again to benefit both the environment and Oregonians. From what I have read, this one stakeholder has tried more than once to bend the rules for his benefit. Please consider that by allowing this bill to pass there may be cumulative effects; others may see this as an opportunity to follow suit which will chip away at land use laws that protect us all.

Please vote no on HB 4113.

Thank you.

Ann Skelton, Portland
