Measure, Appointment or Topic: SJR203

I am opposed to the formation of a secret police, at service only to the President and not the communities needing protection, which is what we are seeing right now with ICE.

Therefore I support this bill to amend the Oregon Constitution, to require visible faces and identification on law enforcement officers.

I hope that we will soon see this same movement on the national level.  
Thank you for your work in representing us, the people of Oregon.
