On Behalf Of: Individual  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB1578

Senators. Please oppose SB 1578. This once more is an attempt to tear down our excellent land use laws. There are no reasons to allow for precedent changing exceptions or legislation to alter what we have as current law.

As a native Oregonian, 66 years, I continue to see efforts to degrade our land use laws. Senators, resist this effort, SB 1578, as it allows unwanted loopholes in protecting Oregon and Oregon lands for those that require protections, ranchers foresters and certainly farmers.

We need your help to oppose this legislation.

Thank you for your consideration
